Our Early Parenting Centre expert multidisciplinary team provide specialist support and care to families experiencing postnatal difficulties in weeks and months following the arrival of a new baby, up to 2 years of age.

Our Mother Baby Unit has recently been renamed **Waverley Early Parenting Centre**, it is a new unit offering state of the art services for families getting to know their babies up to 24 months of age. It is located in Melbourne's South Eastern Suburbs and is able to provide services to families from all parts of Victoria.

The unit offers residential programs designed to support parents and infants experiencing:

- Feeding difficulties
- Infant sleeping problems
- Unsettled / irritable infants
- Reflux and colic
- Maternal exhaustion
- Adjusting to parenthood

Waverley Early Parenting Centre

Formerly Mother Baby Unit

Our unit is able to offer individual support and planning to suit families over a four night residential stay.

There is opportunity for education, support and group discussions. Following discharge we will support families with telephone contact as required.
